
ONCE IN A WHILE we start cleaning up our files and try to make sense of the notes we have hanging around. This is one of those weeks.

FANTASTIC INCREASE in college enrollment: This pertains to a report made by Dr. Wallace Hall to the trustees of the West Valley Junior College District:

The University of California has 72,000 students on its 11 campuses, an increase of 11 percent over last year.

The state colleges have 110,000 students, an increase of 16 percent.

The junior colleges in California have 455,000 students in graded classes alone, an increase of 26 per cent.

We had a penciled "WHEW!" on this note.

We add another "WHEW" when we think of the years to come.

PRUNE PICKERS... Residents of this particular portion of the Santa Clara Valley have long been known by this less than endearing term.

However, with the transition in this area from rural to urbanization, from orchards to asphalt and houses, the term has become pretty antiquated.

Propos to all this, is a note we have on a special course that is offered in San Jose by the Farm Labor Service and conducted by the San Jose School District.

The course is on "TREE PRUNING" given under the Manpower Development and Training Act.

The four-week course is repeated this year after a very successful run last year. The news release reported that 50 men secured jobs pruning trees on ranches in the area and were able to work all winter.

While training the men are paid a subsistence allowance.

The classes were slated to start this week. But there seems to be no course of prune picking.

Our scribbled comment on this surprising (to us, anyway) piece of information: "PRUNE PRUNERS NOT PRUNE PICKERS."

"POP (Puzzle of Politics)--That's what we wrote on the bottom of a news release from the Republican Central Committee of L.A. County.

The release reported that Republican candidates had made impressive showings against their Democratic opponents in face of the cross-country Democratic landslide.

The report cited the following points:

All congressmen and G.O.P. assemblymen in the county were reelected and the Republicans gained a congressman and assemblyman.

That should be heartening news to those pessimists in both

San Tomas Expressway

City plans to press fight to open Rincon, Latimer

There will be no let-up in this city's battle to modify the San Tomas Expressway agreement to allow both Rincon and Latimer avenues to be opened when the thoroughfare is constructed.

That was indicated by the City Council Monday night when by a unanimous vote, the Council decided to carry their case of the blocked streets to the supervisors.

The Council's action came on the heels of a report that the County Trafficways Committee had frowned on any change in the expressway agreement, approved by the city last year.

The agreement specifies that Rincon and Latimer will dead-end into the expressway while Campbell, Budd and Hamilton will cross it.

Council members were also firm in their belief that both Rincon and Latimer should cross at grade rather than by overpass or underpass.

The Trafficways Committee ruled last week to defer action on Campbell's request to open the streets until a study had been made of the feasibility of under or overpasses. A study was directed to be made by a subcommittee to determine the cost and other factors and to report at the December meeting of the entire committee.

But if overpasses or underpasses were allowed, committee members indicated, Campbell would have to pay the costs of them.

Mayor Charles Rose was especially bitter over the shabby treatment that had been accorded this city's appeal to change the plans for the expressway.

"The design of the San Tomas Expressway is all wrong," Rose declared, "and it is detrimental to Campbell and should be changed. The present plans call for the traffic that will be carried by the expressway to be dumped into the bottleneck at the Camden interchange. That section is bad now and the situation will be compounded by the expressway travel."

Rose was also critical of the attitude of the county public works director who has belittled Campbell's needs.

"No thought has been given to relieve east-west traffic through Campbell," the mayor pointed out. "All the expressway will do will be hurry north-south traffic through town and dump it at the Camden interchange. It just doesn't make sense."

Opening both Latimer and Rincon will allow

City Hall gets flag

Campbell's City Hall will soon fly the American flag for the first time.

Although the city has occupied the building since 1957, after purchasing it from the Congregational Church, there has been no flag or pole on the building in the past seven years, a rather dubious distinction for a public building.

On the motion of Councilman Bob Mc Elroy, the council directed the city staff to take immediate steps to correct this longstanding oversight.

Slightly miffed at the low trade-in allowances for the three police cars and also by the poor response to the invitation to bid by auto dealers, the Council rejected the two bids that had been submitted.

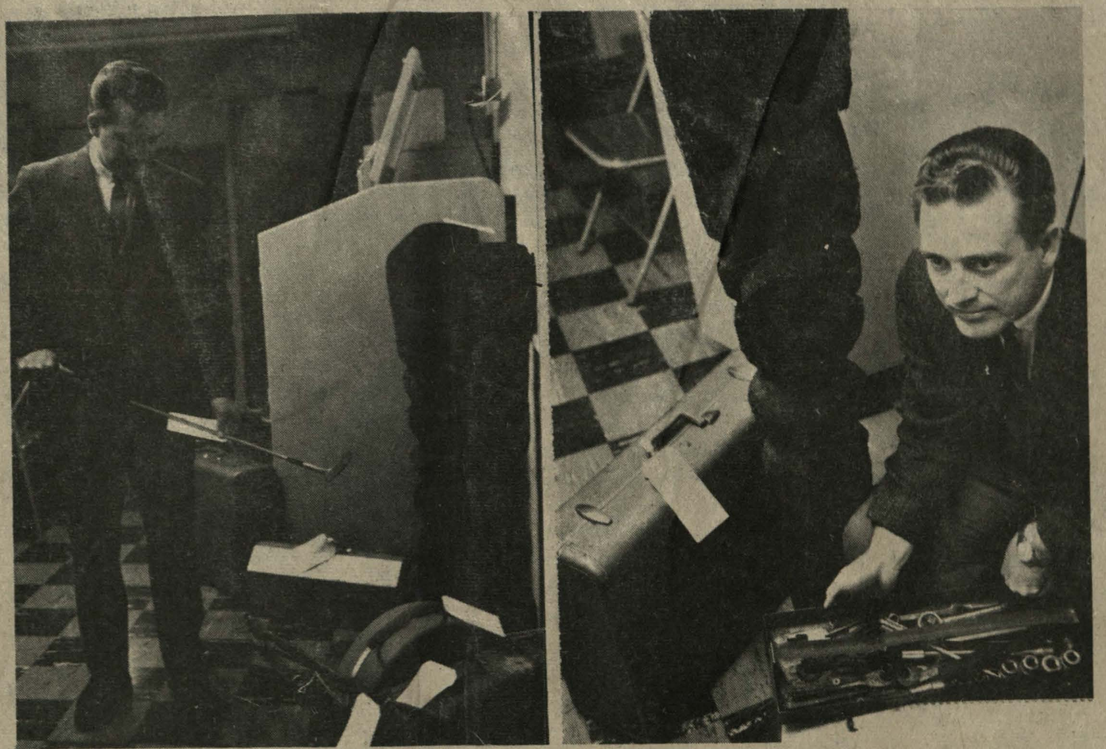
Bids will probably be called for in February again, the council indicated.

The city had asked for bids for four new police cars. It was also specified that three cars now in use would be traded-in. Although notices were sent to 22 car dealers, only two bids were presented, Normandin's Plymouth in San Jose and Mark Tuban Ford, Mt. View.

Normandin's bid was lower. The firm priced four cars at $2,314 each for a total of $9,256 and allowed $2,400 for trade-ins (three cars at $800 each). The net bid was $6,856.

Tuban priced four cars at $2,330.46 each or $9,321.84 total.

The Councilmen were primarily disappointed in the lack of bidders.



CHECKING THE MERCHANDISE--On Saturday, December 5, the Campbell police department will hold an auction of articles that have been found by the department and have been unclaimed. Lt. Don Burr (above) who will be auctioneer, looks over some of the items that will be offered for sale. The articles range from palm root tikis, tool chests, suitcases, fishing poles to a golf putter.

Our Heartfelt Thanks
ON THIS
IMPORTANT
DAY...

REV. HARRY M. LIECHTY, JR.

Traditionally The Campbell Press calls upon a local clergyman to write a Thanksgiving Day message. This year the message is presented by the Rev. Harry M. Liechty, Jr., pastor of First Baptist Church, located at 400 Llewellyn Ave., Campbell.

The Rev. Liechty, a graduate of Stetson University in Florida with degrees from Southwestern Theological Seminary in Fort Worth, Texas, has been with the local church for the past 15 months. Before coming to Campbell he pastored churches in Florida, Texas and Los Angeles. Mrs. Liechty, also a graduate of Stetson University, is an accomplished organist. The Liechty's have three children.

"Thanks!! For What?"

A season of Thanksgiving.... For What?... To fill our tummies with turkey and our hearts with a conscience easing joy because we gave some less fortunate people a few canned goods.... is this all there is to it?

Perhaps we should think instead, To What are we thankful. We do have so much.

Shall we thank the forces of evil? It is obvious we cannot give thanks to sin and wrong doing no matter how hard modern-day theology may try to explain it away with reason and relevancy.

We could give thanks to ourselves. But we do that everyday by giving to ourselves the very best of everything. (Just so we are able to make the payments.)

We might thank science. Thanks for great new discoveries: giant achievements almost daily in electronics, medicine, chemistry, space, and transportation.

When all is said and done--when the final curtain rings down on this human drama, we will be most thankful for those gifts from God.

Then it will be "Thanks Be Unto God"....

For the gift of faith. "Without faith it is impossible to please Him". (Hebrews 11:6) Faith which gives man that immortal "plus" which moves mountains and maintains mansions in heaven.

Thanks for the Gift of Hope. "If we hope for that we see not, then do we with patience wait for it." (Romans 8:25)

Thanks for the gift of Love. "We love Him because He first loved us." (I John 4:19)

Thanks for the gift of Knowledge. "That I may know Him, and the power of His resurrection." (Phillippians 3:10)

Thanksgiving 1964. How can it be different? It can be a time of real gratefulness to God for those things only God can give.... And God can only be happy with us when we have accepted his Gifts and used them well.

I am thankful that God only offers those gifts to man which cause celebrations like Christmas, Easter, Thanksgiving and birthdays. He never gives that which will harm us and often the price He pays is unfathomable.

Let us say "thanks" to God, our world and our friends this season by using God's gifts as He intended... And should you be perplexed as to how they should be used, find the answer this Thanksgiving by searching the Scriptures, listening in prayer, and joining in fellowship with others who seek to express a like appreciation.

Thanksgiving, 1964 and Memories of 1963

John Fitzgerald Kennedy

35th President, United States

Born May 29, 1917 — Died Nov. 22, 1963

Just a year ago this week, our country, and the whole world, was shocked by the tragic death of this nation's president, John Fitzgerald Kennedy.

Even after 12 months, the nation has not fully recovered from tragic events of that week in November, 1963.

Almost eight million people have visited the grave of the assassinated president in Arlington, more than have visited the Lincoln and Washington memorials combined.

Even after 12 months, most of us can recall vividly and minutely what we were doing at the first horrible reports began coming over television and radio stations.

Regardless of one's political affiliation, the tragic events of that November made a lasting impact. So lasting that a year later we can remember to almost every detail the awesome, terrible developments of the two shootings and the solemn and impressive ritual of the funeral ceremony of the youngest president of the United States ever to be elected.

Tears were shed by the most callous. And a year later as programs commemorate this blot in our nation's life, tears again flow.

The tragedy in November 1963 came just as our nation was getting ready, as is the case this year, to mark its traditional day of Thanksgiving.

So each year as we mark the holiday and as families gather to give thanks, there will always be a slight pall to mar the festive day.

But regardless of what has transpired, there is much to be thankful for in this country of ours... Let us remember that on this Thanksgiving Day, 1964.

Local grad aids in police battle

Herbert Rose, 22, the Santa Clara police officer whose bullet stopped the shooting rampage of an ex-convict in Santa Clara Saturday night is a local man.

Rose is the son of Mr. and Mrs. Morris L. Rose, 1031 Macon Avenue, San Jose, and a 1960 graduate of Campbell High School where he excelled in all sports. He is married to the former Linda Strickland of Campbell and they have a 6-months old baby daughter. Rose has a younger brother attending Blackford High school.

Auditions for 'Sound of Music'

Arthur Conrad of the San Leandro "On Stage" Theater has been signed to direct the San Jose Light Opera production of "Sound of Music," and will conduct auditions for the upcoming show December 5, 6 and 12.

Mrs. William Nelson, SJLO president, said that aspirants for the seven children's roles (ranging in age from 5 to 18 years) will be held from 10 a.m. to noon, December 5 and 12. Adults will try out from 1 to 4 p.m. on December 5 and 12 and from 2 to 7 p.m. on the 6th. Auditions will be held at 211 South Second Street.

City Hall briefs

Activity on the traffic front within the city limits highlighted the City Council meeting Monday night.

The Council, in this area of action:

1. APPROVED the recommendation of Bill Wren, city engineer, for remarking Hamilton at Central to allow for a left-turn stacking lane.

2. DIRECTED City Attorney Joseph Bonacina to notify the owners of the newly-opened Bonanza Home Center on Bascom near Hamilton that Robway could not be opened into the firm's parking lot. Bonacina had reported that the original dedication prohibited the street-opening.

3. TRANSFERRED various city funds earmarked for street improvements to allow for a change in priority from what had been anticipated at budget time. Street improvement projects totaling almost $600,000 are in the mill. Last week the Council let a $349,618 street contract for Campbell Avenue, the largest such project in the city's history.

4. AUTHORIZED the city staff to negotiate an agreement with the engineering firm of Creegan & D'Angelo for professional services relating to the formation of assessment district to finance off-street parking facilities in downtown Campbell.

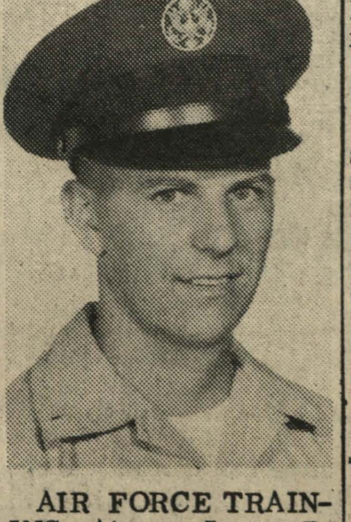
5. SUGGESTED Monday, December 7, for a joint meeting with the Planning Commission.

6. APPROVED the bid of Davis Skaggs & Co., for the sale of $14,457.51 in bonds for Local Improvement District 10 (Bedal Drive).

7. FIRST READING to an annexation ordinance on McGlincey.

8. CONTINUED until January 1 Warren Brown's appeal on the fire hydrant requirement.

9. ADOPTED three ordinances, two affecting new "S" control regulations, and the other a zone change requested by W. G. Gibson.



AIR FORCE TRAINING--Airman James D. Getts, son of Mr. and Mrs. Richard Getts of 416 Sunberry Drive, Campbell, recently completed the first phase of his Air Force basic military training at Lackland AFB, Tex. Airman Getts, a 1964 graduate of Campbell High, has been selected for technical training

Puppet show for youngsters

A holiday treat for the youngsters will be the presentation of "Hansel and Gretel" on November 28 at 2 p.m. in the San Jose State Concert Hall.

The A.A.U.W. Puppeteers of San Jose will do a dramatic synopsis of Humperdinck's beloved children's opera, including musical exerpts. The production is sponsored by the Women's Auxiliary of the San Jose Symphony Association. After the performance young playgoers will be served gingerbread and punch by the Symphoteens.

Admission is 50¢. Tickets will be available at the door. For reservations or further information call Mrs. George Hutchinson, 867-1543.

First Baptist Church slates social evening

The First Baptist Church of Campbell, 400 Llewellyn Ave., is planning the biggest social event in the history of the church on Wednesday, Dec. 2. On that date the church will engage in a Festival of Faith which will be presented in a "County Fair" atmosphere.

Festivities will get underway at 6 p.m. with music, fun, food and a closing period in which the pastor, Rev. Harry M. Liechty Jr. will present his annual "State of the Union" message. A special "mystery feature" is also planned. All members of the church are urged to save that evening for a night to remember.

UNICEF Xmas cards available

During United Nations week, some thirty groups in this area viewed films on various phases of the United Nations. Many local church women heard an inspiring program on the United Nations Children's Fund when Paul Edwards, acting director of UNICEF's Public Information Division, spoke to the United Church Women at their World Community Day luncheon recently.

Now all who wish to help UNICEF and give added meaning to their own expression of Christmas love may do so by buying UNICEF Christmas cards. These charming cards, the work of renowned artists from many countries who give their services, may be bought at a number of local churches or from Miss Lucille Breiner, 292-3981. Miss Breiner may be reached from 8-9 a.m. and 5-7 p.m.

AMADOR COUNTY in the Mother Lode Country was visited by us last weekend and we thoroughly enjoyed this brief tour off the beaten track.

With our Dorothy we joined a group from the Walnut Creek area and spent Saturday afternoon and Sunday morning looking over this country with its interesting historical background of early day gold mining.

We spent Saturday night in Jackson at the National Hotel which has changed but little during the past 100 years.

We were fortunate in having as our guide a person who was thoroughly versed in the lore of the area as well as the back roads.

It was a tour we will long remember.

We are now planning to go back and see some more of that intriguing Mother Lode part of California.

It is a welcome respite from the present every day rush to sort of relive those gold rush days.

The rush was different then.

But we are not sure whether things were any better.

THERE WILL BE LITTLE, if any, state highway money expended in the Campbell area during the next few years.

That is what members of the Campbell Chamber of Commerce and city officials learned last week when Alan Hart, state highway engineer, was the guest speaker at a luncheon in town.

Although those attending the luncheon probably would have liked to have heard glowing reports of things-to-be highway-speaking, it was still refreshing to get a candid and honest report of the situation from a state official.

He admitted that there were many things to be done, widening of Highway 17, improving on-ramps, etc. etc. But that there just wasn't money available to do them.

College grows up-- "JUNIOR" disappears

It is now West Valley College.

"Junior" has gone from the official designation of the institution of higher learning that will be located at 51 E. Campbell for the next five years.

The change, involving removal of the "Junior" from the official name, was approved unanimously by the college's Board of Trustees following a petition by the student body.

Since last September 15, the second day of classes for the new institution, the staff of the student newspaper, The Collegian, has pioneered a drive for the change. The 16 staff members combed the campus, obtaining signatures of 1,405 students and staff members who also wanted to remove the "junior."

Following the successful petition drive, the Associated Students, who had endorsed the change, delegated the newspaper's editor, David Parker, to appear before the board and request it.

"Because California's junior colleges are serving a broad community function," Parker told the board, "and because the state's Master Plan assigns a most important role to the junior colleges, it seems inappropriate to leave the 'junior' in the name. I think we should join the other so-called junior colleges in this area in dropping the label."

Dr. Wallace W. Hall, president, said such a change would in no way alter the official name of the district, the West Valley Joint Junior College District.

TRUSTEES REMOVE "JUNIOR"

Parker said he did not think the students would agree to substitution of the word "community" for "junior." Such a substitution was suggested as a possibility--"but not necessarily endorsed"--by Dr. Edwin C. Browne, a board member.

How much safety do you want for your money?

Financial safety comes in all shapes and sizes. There are safe investments and risky investments—and ones that are in between. Depending upon how much risk you want to take, your money can be invested in a variety of ways.

Your savings, however, are another thing. This is money you do not want to *risk*—no matter how safe the investment appears. This is money you want to be able to count on at all times and under all conditions. And when you want your money that safe and that available—*you want it in the bank.*

an Jose State College must slow down enrollment growth

San Jose State College as been obliged to slow own its enrollment rowth rate, beginning ith the coming spring emester, according President Robert D. lark. Its growth bears close relationship ith the building proram, he added.

Dr. Clark pointed out at the college will grow to an estimated 26,000 enrollment by 1974, which would equal a full-time equivalent enrollment of 17,000. The immediate problem of the college is one of keeping the growth properly related to two factors, funding and facilities.

For the first time in the college history, a limit was placed last September on the number of freshmen and lower division transfers permitted to enroll. This limit was set by the Trustees of the California State Colleges in a move to implement the Master Plan for Higher Education in California, which provides that only 40 percent of state college enrollments shall be lower division students. In spite of this limitation, enrollments now and for the spring semester will be considerably higher than earlier estimates contemplated.

An unexpectedly heavy enrollment of former students returning and upper division students brought the total enrollment last September to about 20,700, an increase of nearly 1,500 over the 1963 fall semester enrollment. For bugetary and building planning purposes, enrollment is reduced to what is called full time equivalents, that is, the number of students who would be enrolled if each of them took 15 units.

The general public and local educational systems have been advised that no more freshmen can be admitted for the spring semester. Upper division enrollment predictions indicate that it will soon be necessary to close admissions in this category as well. This does not mean, however, that San Jose State College will not continue to grow from year to year until such time as the ultimate capacity of the college is reached but only that the rate will be held to the availability of new facilities.

The addition of new facilities has lagged behind the increase in enrollment, Dr. Clark said. The college is awaiting the completion next September of a five-story classroom building, MacQuarrie Hall. Construction on the first half of a large science complex will be started early in 1965 and later a building to house the Business Division will be erected.

Closing of Tower Hall in April, 1963, and its subsequent demolition, now in progress, has seriously reduced the classroom and faculty office spaces available.

Citizens committee urge bonds

Findings of a Citizens Committee for Review of Planning were largely responsible for the board of directors of County Sanitation District No. 4 calling a $7.38 million general obligation bond issue, district officials have pointed out.

The special bond election has been scheduled for March 2, 1965.

This Committee, made up of two citizen appointees of each of the seven Directors, with William Cilker of Los Gatos as general chairman, undertook to scrutinize a comprehensive staff report which had been four years in the making.

Most conspicuous among the Committee's findings was one disagreeing with the staff's intent to make no change in respect to connection charges.

"These," argued the citizens' group, "should be increased basically to bring them into conformity with contiguous areas, made escalating and adjustable to provide fair treatment for all, and reducing the amount of proposed tax increase from 3.7 to 1.4 cents per $100 of assessed valuation."

"This is no rubberstamp bunch," commented one director at the conclusion of the meeting.

Bucs-Wildcats meet Thursday on Campbell field in 30th annual grid classic

No title is at stake in the annual Turkey Day battle Thursday between Campbell and Los Gatos. But that in no way detracts from the interest in the classic.

For 30 years Los Gatos High School Wildcats and Campbell High Bucs have tangled on the gridiron on Thanksgiving Day.

In the 30 years there have been many changes in the Santa Clara Valley but the rivalry between the two schools still continues and will blaze a gain on the Campbell field this Thanksgiving Day. Kickoff is 11 a.m.

When the rivalry started back in 1934 and for almost 20 years, there was only one high school in the Campbell district and one in Los Gatos.

Today there are six high schools in the Campbell Union High School District and Saratoga has been added in the Los Gatos district.

But this expansion has not detracted from the rivalry between the two "mother" schools, for there still remains Campbell High and Los Gatos High.

In 1960 Campbell and Los Gatos battled down to the wire for the league championship. Campbell won the Turkey Day tilt by a 46-20 score to end with a perfect 9-0 record for the season.

Contributing a great deal to Campbell's perfect season record that year were two standout players, Craig Morton and Jack Schraub. In the Los Gatos game, Schraub scored one TD on a 48-yard pass from Morton but Ron Oburn in the Thanksgiving battle was the high scorer for Campbell.

But in the game the week before the Turkey Day classic against Del Mar, the Morton-Schraub combination set a school record. Morton in that game tossed six touchdown passes, four of them to Schraub.

Morton and Schraub went on to star for the University of California where they both set records in their specialties. Morton has been boomed for All-American honors and is reported to be the recipient of fantastic professional football offers.

Both these players may go on to star on the professional gridiron as did another outstanding Campbell High School player, Billy Wilson, who also took part in several Thanksgiving Day classics against Los Gatos. Wilson starred also for San Jose State prior to his pro days.

Los Gatos High also furnished many gridiron stars, including, for example, Hugh Campbell, who went on to Washington State and set a college record for pass-receiving.

Los Gatos High has won the Thanksgiving Day battle for the past three years. 25-19 in 1961, 32-20 in 1962 and 21-20 last year. Campbell, however, had a five-year victory reign from 1952 to 1957.

But Los Gatos still holds the record for consecutive wins, six straight.

The series started in 1934. But it was 1940 before the Bucs managed to score a win. Los Gatos holds the lead in total wins marking up 17 to Campbell's 12. There has been only one tie in the 30-year history. The two teams deadlocked at 0-0 in 1943.

FORMER BUC STAR--Craig Morton, last Saturday in the 'big game' climaxed a record-breaking career at the University of California. While a Bear, prior to entering Cal, he starred for Campbell High. Morton has been boomed for All-American honors and is rated as a top choice for pro football. (Craig wore "14" at Cal in his last two years)

New car show at fairgrounds

All major automobile manufacturers will be represented in exhibits in the first annual "Cars and Stars", the new car show which opens today at the Santa Clara County Fairgrounds under auspices of the Motor Car Dealers Association.

Manufacturers have advised the exhibit committee of plans to display latest model Buick, Cadillac, Chevrolet, Chrysler, Continental, Dodge, Ford, Lincoln, Mercury, Plymouth, Pontiac, Oldsmobile, Rambler and Volkswagon. Latest experimental cars, as well as Hollywood entertainment, will be among the attractions.

PASS-CATCHER DELUXE--Jack Schraub, a Campbell High star who went on to greater heights at the University of California where last Saturday in the "big game" he ended his collegiate play. Schraub proved to be one of the greatest pass-receivers in Cal's history.

HOMECOMING QUEEN - Nancy Edsinger, 17-year old Campbell High School senior, has been named Homecoming Queen. She was chosen in an all-school election and crowned at the Coronation Ball held recently. She and her Court of Princesses, Dianna Bohnsack, Bea Beyer, Linda Bodddiker and Kris Dowling, will reign over the Campbell-Los Gatos football game on Thanksgiving Day.

TO SEE ACTION--Glen Schanck of the Santa Clara Countv Hornets this Saturday, November 28, in the third annual Toys-for-Tots Bowl game. The Hornets play Pittsburg Mallards, another Pop Warner team. The game will be held in Buck Shaw Stadium. Schanck, who plays fullback, attends Del Mar High School.

Hornets play in bowl game

When the two top Pop Warner teams, Santa Clara County Hornets and Pittsburg Mallards meet in the "Toys for Tots" bowl game this Saturday, November 28, several sports celebrities are slated to be present.

The game will be held in the Buck Shaw Stadium at 8:15 p.m. on Saturday.

According to Rod Buckley, chairman of the event, famed swim coach, George Haines is scheduled to bring several Olympic gold medal winners, including Don Schollander, Dick Roth, Wayne Anderson, Gary Illman, Mike Wall, Donna De Varona, Terri Stickles, Sharon Finneran, Judy Reeder, Pokey Watson and Claudia Koln.

Several pro players from the 49ers are also expected.

At half-time, Fremont High's marching band will entertain the crowd. The preliminary game will be between the Hornet Bees and the El Cajon Falcons.

The bowl game, an annual event, is held in conjunction with the U. S. Marine Corps Reserves "Toys for Tots" drive. A usable toy brought by children admits them to the game.

The Pittsburg Mallards are undefeated for four consecutive years. Santa Clara is the host champions. The game will determine the state championship.

Leigh blasts Campbell 33-7

Leigh High blasted Campbell High last Friday 33-7 to hold onto a first place tie with Saratoga for the league lead. Both league-leaders play on Thanksgiving. If they win the Turkey Day classics, they will jointly own the league bunting this year.

Leigh meets Westmont and Saratoga faces Blackford. Based on the season's record, Leigh should have easier sailing, as Westmon has as yet to win a game. Saratoga last Friday eliminated Camden from any hope of sharing in the league crown by winning 37-27.

Blackford has won three league games while losing two and tieing one. Del Mar and Blackford played to a 14-14 tie last Friday. Camden and Del Mar meet on Thanksgiving Day. Del Mar has a 2-3-1 record.

Leigh scored twice in the first quarter on almost identical pass plays of Larry Daniels to Ron Carothers. This same combination was also good for still another TD in the third quarter. Jim Miller scored the other touchdowns for Leigh. Both came in the second quarter on runs of five yards and 14 yards respectively.

Leigh was able to score just once in the second half. Campbell also managed to get on the scoreboard in the fourth quarter when Don Kinzel passed to Gary Robinson for a 30-yard gainer.

Campbell's drive to Leigh's 11-yard line in the second quarter before a Kinzel pass was intercepted to end the threat.

Los Gatos wins from Westmont

Los Gatos last Saturday morning prepared for the traditional Thanksgiving Day game with Campbell High by beating Campbell's country cousin, Westmont, 13-0.

By the win, Los Gatos now has a 3-3 league record compared to Campbell's 1-4-1. Westmont has a 0-6 mark.

Los Gatos scored in the second and fourth periods. The final TD came in the closing seconds of the game after Westmont had driven to the 26-yard line of Los Gatos where the Wildcats intercepted a pass. Los Gatos then drove the necessary 74 yards to pay dirt. Dean Storgan scored.

The first Wildcat score came in the second quarter when Ray Raymer, Los Gatos quarterback, tossed a 32-yard pass to Rick Driver which put the ball on Westmont's seven. Steve Shank went over for the TD.

The game was played Saturday morning because a power failure had caused the field lighting to go out on Friday night.

Teams deadlock

Del Mar and Blackford battled to a 14-14 tie last Friday with the Dons capitalizing on five intercepted passes and three fumble recoveries to gain a tie over the favored Blackford team.

Blackford scored first in the first quarter but the Dons came right back to score twice in the second period. Wayne Howard scored both TDS. His first was a two-yard plunge and the second was an 18-yard gallop after a pass interception.

Saratoga beats Camden 33-27

Camden was eliminated from sharing in the West Valley Athletic League championship on Friday when Saratoga turned back the Cougars 33-27.

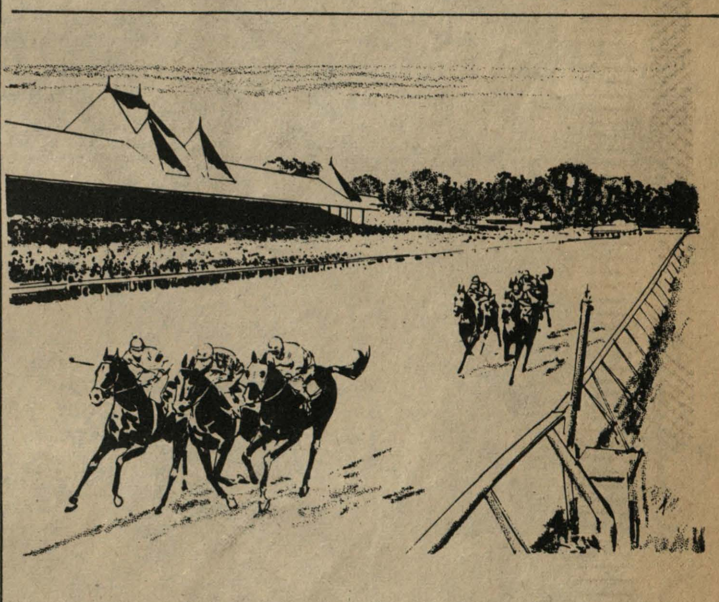
In chalking up the win, Saratoga rolled up 25 points in the first half while blanking Camden. Saratoga and Leigh are tied for the league title with identical league marks of 5-1. Camden now has 3-2-1.

Camden and Del Mar meet Thanksgiving. Del Mar has a 2-3-1 record. Saratoga battles Blackford on Turkey Day.

Saratoga piled up 239 yards rushing and Steve Hansen completed seven of 10 passes for 70 yards. Camden was held to 124 yards on the ground but hit for 155 yards through the air, with 141 yards coming in the second half.

—OFF AND RUNNING *by John I. Day*—

Never Too Late



When a horse's resume is drawn up, either for sale or for stud duty, a very important factor is whether he is a Stakes winner, sired by a Stakes winner or out of a Stakes winner. A Stakes race is one for which the owner pays a nomination fee, sometimes one or several eligibility fees, and finally an entrance and starting fee to which the racing association adds a specified amount ranging from several to 125 thousand dollars. Of some 46,000 races run each year fewer than 900 are Stakes races and, of some 35,000 annually active race horses, fewer than 600 become Stakes winners. Many of the Stakes races are restricted according to age or sex which makes the accomplishment of the aptly named Odd Fellow all the more remarkable. Odd Fellow was bred in California in 1955. As a 2-year-old in 1957 he did not start and it was not because he was too fast to be caught and broken to saddle. Starting his career in 1958 he raced for several owners and won 17 races in 90 starts but made no headlines. It wasn't until his 93rd start at Turf Paradise this year that he earned his "S" in the Turf Paradise Handicap, a $10,000-added event for 3-year-olds and upward. Second to the 8-year-old Odd Fellow was the 7-year-old Porfido while the 6-year-old Mighty Mine was third.

THAT FEMININE TOUCH

by Dolores Keywood

The long and the short of it is -- black crepe skirts, in both long and short lengths, are a "must" for your holiday season wardrobe.

Whether you'll be accepting invitations or entertaining at home, evening and cocktail wear is bound to come on the scene.

Your long or short crepe skirt can take on a different appearance simply by topping it off differently. And a lot of money needn't be spent, either.

The two piece look is very important in evening fashions, so your imagination can really have a field day.

There are the simple shell blouses that may be changed in an instant by adding a gaudy or simple rhinestone brooch, a strand or two of crystal beads or the long rope pearls. The shell may be white or even black, for that all in one look, for the gal that needs slenderizing.

Then there are the long sleeved blouses in silk, crepe, chiffon or one of the many synthetics. Ruffles around the collar or a plunging neckline; ruffles at the cuffs or sleeves that cling to the arms down to the wrists.

For another change, try a jeweled sweater. They come in a variety of styles and weaves, adorned with sequins, jets, pearls, rhinestones and metallic embroidery.

Entertaining at home can be even more fun, if a pair of velvet or silk capris are substituted for the skirt. If high heels are worn, make certain they are coordinated with the rest of the costume.

For tips on where you can make these purchases and how much you should spend, please call me at 378-8180 or write me in care of The Campbell Press.

MRS. DAVID H. KONECNY

Newlyweds to live in Washington, D. C.

Vivian E. Edward of Campbell and David Henry Konecny of Bingamton, New York, became husband and wife at a lovely evening ceremony at the First Congregational Church of Campbell recently. Rev. Ed Cunningham officiated at the nuptials.

The bride was attired in the traditional white satin wedding gown, trimmed with seed pearls. Her short veil was held in place with a satin crown and she carried a bouquet of stephanotis, white chrysanthemums and an orchid center.

Mrs. Dan Morris, the bride's twin sister, was the matron of honor. Her gown of midnight blue satin was accented with a bouquet of carnations and chrysanthemums. Bridesmaids were Mrs. Justine King and Miss Judy Treffy, who wore matching gowns of gold satin and carried bouquets of carnations and chrysanthemums.

Little Julie Brunsingham of San Jose, the bridegroom's neice, was the flower girl. Jack Brunsingham, brother-in-law of the bridegroom, was the best man. Ushers were Douglas Edward of Campbell, the bride's brother, and Dan Morris of Sunnyvale, the bride's brother-in-law.

A reception was held at the home of the bride's parents following the wedding. A champagne buffet was served to 50 guests. The young couple left for a Las Vegas honeymoon and will make their home in Washington, D.C. where the bridegroom is a State Trooper.

The new Mrs. Konecny is the daughter of Mr. and Mrs. Rowland H. Edward of 2182 Abbey Lane, Campbell. She is a graduate of Buchser High School and has been employed as a nurse.

GRANGE BREAKFAST

Orchard City Grange No. 333 will hold its regular monthly breakfast on Sunday, Nov. 29 from 9 a.m. to 2 p.m. at the Grange Hall, 109 N. First St., Campbell.

The public is invited to attend.

Nursery school parents enjoy potluck dinner

Dad and Mother were the dinner party guests recently as the Campbell Parent Nursery School staged its seventh annual parent pot-luck dinner at the Campbell Country Woman's Club. This was the night for fathers to share in the cooperative fun with his family, and some 65 couples gathered for the dinner and program.

Dr. Thomas Tutko, professor of psychology at San Jose State College, was the guest speaker. His topic was "The Challenge of Being Modern Parents." A toy display by the Morrison Company of San Mateo, was enjoyed, just in time for Christmas.

Mrs. Al Giraudo was in charge of the food and service for the event. Tables were decorated with children's crafts. Mrs. Richard Bryan is president of the Campbell Parent Nursery. Mrs. Verne LaMar, 356-4669, is membership chairman.

Local Cancer Society chapter names chairmen

Various jobs for committee chairmen of the American Cancer Society, Campbell branch, were outlined at a recent meeting called by Dr. Robert A. Hersch, 621 E. Campbell Ave., who has accepted the position of General Chairman for the local chapter.

Mrs. Shirley Vierra, 2873 Huff Avenue, San Jose, has been named to the position of Education Chairman, Mrs. H. E. Lillingston, 524 Old Orchard Rd. as the chapter service chairman will handle inquiring concerning help needed by cancer patients and their families.

Mrs. Dorothy Trevethan, well known Campbell City Clerk, has accepted the post of treasurer for the Campbell Chapter. Mrs. Trevethan will receive and account for all contributions in the unit. Mrs. Berta Lee Jones, 70 Amato Ave., is serving as Memorial Chairman. Mrs. Frances Clever will serve as Public Information Chairman.

CHRISTMAS TOY DISPLAY - Looking over a display of educational Christmas toys at a recent dinner meeting of the Campbell Parent Nursery School are (left to right) Richard Bryan, Mrs. Helen Riedel, Director of the Nursery School, Gordon Johnson and Gerald Bendinelli.

LEGAL NOTICE

ORDINANCE NO. 480

BEING AN ORDINANCE OF CITY OF CAMPBELL REPEALING SECTION 9316 OF CHAPTER 3, ARTICLE IX OF THE CAMPBELL MUNICIPAL CODE AND ENACTING A NEW SECTION 9316 OF SAID CHAPTER AND ARTICLE ESTABLISHING "S" SPECIAL ZONE AREA, ARCHITECTURAL REVIEW COMMITTEE AND OTHER REGULATIONS

The City Council of City of Campbell does ordain as follows:

SECTION ONE: That Section 9316 of Chapter 3, Article IX of the Campbell Municipal Code entitled "Planning and Zoning", be and the same is hereby repealed.

SECTION TWO: That a new Section 9316 be enacted under Chapter 3, Article IX of the Campbell Municipal Code to read as follows:

SECTION 9316. ESTABLISHMENT OF "S" SPECIAL ZONING AREA.

1. Purpose

The purpose and intent of architectural review is to secure the general purposes of these Code Sections relating to architectural design and the general plan, and to insure that the general appearance of buildings and structures and the development of the land shall in no case be such as would impair the orderly and harmonious development of the neighborhood or impair investment in and occupation of the neighborhood.

2. Architectural Review Committee

An Architectural Review Committee is hereby established. The Committee shall consist of two members of the Planning Commission to be appointed by and to serve at the discretion of the Chairman of the Commission.

It shall be the duty of the Architectural Review Committee to review all applications for architectural and site approval as required by this Ordinance and to make reports and recommendations on each application to the Planning Commission.

3. Application

Applications for architectural and site approval shall be filed with the Planning Commission for any proposed development in any zone which has been combined with an "S" Special Zoning Area designation.

(a) The Planning Commission shall prescribe the form of application and data to be filed with the application. A site development plan shall be required to accompany the application. If development is to be carried out in stages, each stage shall be shown on a master plan of development. The plan shall indicate the site location and planning of all open spaces and structures to show that the development will be compatible with the General Plan of the City and will aid in the harmonious development of the immediate area. The plan shall include proposed buildings or structures with elevations which show appearance and materials of exterior walls, landscaping, walls or fences used for screening or separation, design of ingress and egress, off-street parking or loading facilities, location and design of exterior signs. The Planning Commission may also require such other information as is considered necessary.

(b) Applications for architectural and site approval may be heard without the notice required by other provisions of this Ordinance. The applicant shall have the right to appear and be heard before the Committee and the Commission. The Committee and/or the Commission may also hear other parties who would be affected by the proposed development. The Planning Department shall arrange with the applicant a time and place of meeting between the applicant and the Committee.

(c) The Planning Commission shall hear and decide all applications for architectural and site approval, except as provided in paragraph (d) below, within 60 days of the filing of an application. The grant of architectural and site approval by the Commission may include such conditions as the Commission deems reasonable and necessary under the circumstances to carry out the intent of this Ordinance and the General Plan.

(d) The Planning Director may review and decide applications for architectural and site approval for single-family, two-family and one-story, three-family dwellings and their accessory buildings. However, if the Planning Director finds that the proposed development will have a substantial effect on the surrounding area or is of sufficient size to warrant the consideration of the Planning Commission, he shall refer the application to the Architectural Review Committee for processing in the same manner as all other applications for architectural and site approval.

4. Considerations in Review of Applications

The Architectural Review Committee and the Planning Commission shall consider the following matters and others when applicable, in their review of applications:

(a) Considerations relating to traffic safety and traffic congestion:

(1) The effect of the site development plan on traffic conditions on abutting streets.

(2) The layout of the site with respect to locations and dimensions of vehicular and pedestrian entrances, exit driveways and walkways.

(3) The arrangement and adequacy of off-street parking facilities to prevent traffic congestion.

(4) The location, arrangement and dimensions of truck loading and unloading facilities.

(5) The circulation patterns within the boundaries of the development.

(6) The surfacing and lighting of off-street parking facilities.

(b) Considerations relating to outdoor advertising:

(1) The number, location, color, size, height, lighting and landscaping of outdoor advertising signs and structures in relation to the creation of traffic hazards and the appearance and harmony with adjacent development.

(c) Considerations relating to landscaping:

(1) The location, height and materials of walls, fences, hedges and screen plantings to insure harmony with adjacent development or to conceal storage areas, utility installations or other unsightly development.

(2) The planting of ground cover or other surfacing to prevent dust and erosion.

(3) The unnecessary destruction of existing healthy trees.

(d) Considerations relating to buildings and site layout:

(1) Consideration of the general silhouette and mass, including location on the site, elevations and relation to natural plant coverage, all in relationship to the neighborhood.

(2) Consideration of exterior design in relation to adjoining structures in height, bulk and area openings, breaks in the facade facing on the street, line and pitch of roof, and arrangement of structures on the parcel. Buildings of non-masonry construction will be permitted with an architectural exterior on sides facing major streets, highways or parkways.

5. Findings and Decision.

Upon a finding by the Planning Commission that the proposed development, subject to the conditions imposed, will be compatible with the General plan of the City and will aid in the harmonious development of the immediate area, the Commission shall approve the application, otherwise it shall deny the application. In giving its approval, the Planning Commission shall state the conditions imposed and the time limits within which the conditions must be fulfilled and the proposed development started or completed.

6. Notification.

The Secretary of the Planning Commission shall give written notification of the decision of the Planning Commission to the applicant. In case of approval, the notification shall include all conditions and time limits imposed by the Commission.

7. Transfer, Time Extensions and Changes.

Architectural and site approval shall apply only to the specific use for which approval was granted. The Planning Commission may, upon application, permit a change in the use for which the application was granted, permit a change in the imposed conditions, and/or grant extensions of time.

8. Right of Appeal.

Any person aggrieved by the decision of the Planning Commission made under the provisions of this section may appeal in the manner specified in Section 9333. 8 of the Campbell Municipal Code.

PASSED AND ADOPTED this 23rd day of November, 1964, by the following vote:

SOCIAL SECURITY

Questions and Answers

U.S. DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE
SOCIAL SECURITY ADMINISTRATION

By Gladstone A. Boquist
Field Representative

Q. I am ready to apply for social security benefits. My wife is still too young to receive hers and she is working and earning $3600 a year. Do her earnings affect my benefits?

A. No. Only your own earnings can affect your benefits. You may earn up to $1200 yearly and still receive all of your social security checks.

Q. I am completely retired and receive social security. I also get a VA pension, and interest from my savings in the bank. Do my VA payments and interest income count as earnings for social security purposes?

A. No. Your VA pension and interest income from savings do not count as earnings in figuring your total yearly earnings for social security purposes. You would count as wages any income you earned from work as an employee and any earnings from self-employment. For specific information about what is considered "wages" and "self-employment" earnings, get in touch with your social security office.

Q. My wife and I both receive social security benefits on my account. She doesn't work, but I do. I understand that each of us is entitled to earn up to $1200 a year and still receive all our social security benefits. Since she doesn't work, does that mean that I can take the $1200 she is allowed to earn and add it to mine so that I can earn $2400 a year and still get all our benefits?

A. No. Each beneficiary can earn up to $1200 a year while receiving social security benefits, but the allowance cannot be combined.

Q. I have filed for social security benefits but I expect to earn over $4800 this year. Can I receive any benefits this year?

A. Perhaps. Some social security benefits can be paid, regardless of your total yearly earnings, if there are any months during the year in which you neither earn over $100 as an employee, nor render substantial services as a self-employed person. For more details, ask your social security district office for booklet OASI-23, "If You Work While You Get Social Security Payments."

Women robbed in parking lot

A strong arm robber made off with $23. 10 and a deposit tag for $2,000 when he accosted two Campbell women in the parking lot of the San Tomas Village Shopping Center November 20, according to a report from the Campbell Police Department.

Mrs. Edith Bennett and Mrs. Marie Colvett, whose husbands operate the San Tomas Market, told Police they had just returned from making the deposit at a bank in Campbell when a middle-aged man wearing a tan jacket and a hunting cap grabbed the bank bag and Mrs. Colvett's purse and ran. Mrs. Colvett pursued the robber and he dropped the purse. Police are investigating.

Blankets needed

November 29, the first Sunday in Advent, has been set aside by Church World Service and the Northern California-Nevada Council of Churches as Blanket Sunday. There is an urgent need for blankets on an emergency basis to meet needs in various parts of the world this winter. Special demands for blankets have been made by the severe floods that resulted from torrential rains through South Central Korea this past summer.

Persons interested in making a contribution are asked to either take it to their own church or to the Council of Churches office, 1229 Naglee Avenue, San Jose, properly boxed, and with 35¢ contribution for processing.

VISUALLY HANDICAPPED

Parents of the Visually Handicapped of Santa Clara County are invited to attend a panel discussion on December 1 at the Blind Center on South Bascom Avenue. The speakers will be five blind college students. The meeting will begin at 7:30 p.m.

High school district forms parent groups

Thirty-two parent groups have been organized in neighborhoods of the Campbell Union High School District for a unique series of discussions on the subject "Better Understanding Your Teenager".

The program is in charge of Mrs. Helen S. Andres, parent education coordinator and assistant superintendent of the district. Assisting her are the Parent Education chairmen of the PTA and Home and School clubs of the high schools. These chairmen are: Mrs. Gloria Braman, Mrs. James Grant, Mrs. Chiquita Lockhart, Mrs. Millie Vierra and Mr. Fred Fisher.

Each of the 32 groups has a leader who conducts the meeting, a hostess who provides the setting for the meeting, and a recorder who contacts members of the group concerning meetings, and keeps a record of recommendations and suggestions. All are parents, and a number of the group leaders are men, since fathers have taken a real interest in the discussions. Also present at each group meeting is a consultant from the high school district who acts as a resource person for the discussions.

The discussion groups have a history of nine successful years' operation in the Campbell district. During this period, thousands of parents in the district have participated, thereby gaining better insight into their teenage youngsters and a greater understanding of the high school program. The series will close with a Culmination meeting when all groups meet together to hear an outstanding speaker on the subject they have been discussing.

Parents interested in further details may communicate with any of the neighborhood group leaders listed below, or with Mrs. Andres at 279-4710.

Following is a schedule of meetings for the period November 30 through December 10:

The First Baptist Church of Campbell, 400 Llewellyn Avenue is conducting a church-wide stewardship campaign during the months of November and December.

Le Dean Garrison, chairman of the Steering Committee for the program has announced several special events. Significant among these are the "Demonstration Day" Offering, Sunday, November 29, when all members of the Sunday School and church are being asked to bring a tithe in the Lord's Storehouse. This will be a demonstration of what can be done by a church when its members give as the scriptures teach.

Dedication Day will be observed on December 6th. All members of the Sunday School and church are asked to bring their Dedication Cards in a giant service. It is hoped that the entire 1965 budget will be under-written in one service.

Planners ban station

Campbell's Planning Commission last week turned down an application for a service station planned for Campbell Avenue and La Pradera Drive.

At the same meeting, the Planners approved the plans for 250-unit apartment on Union Avenue.

Applications pertaining to two other service stations were withdrawn.

GAS STATION

The Planners denied the service station application, submitted by Mrs. Amelia Vahl, after conducting a public hearing on the use permit.

Two residents in the immediate area of the proposed station, Carl Mattison, 1956 Palo Santo Drive, and William Jensen, 1671 La Pradera Drive, spoke against the service station.

George Abdu represented Mrs. Vahl at the hearing. He said he represented ENCO, developers of Humble Oil Stations and that the station would be of battan and brick construction with shake roof and canopy.

The commissioners, however, were unanimous in their opposition to the station and denied the application without prejudice. The applicant has 10 days in which to appeal to the City Council.

250-UNITS

The plans for the 250-unit apartment building included private swim and tennis and other recreational facilities strictly for the tenants use. The plans were submitted by Fred Sahadi.

The building will be similar to a project completed recently at 33 Casey Road known as "Cambrian Affair" which also was built by Sahadi, Richard Hogan, city planning director, told the commission. Hogan added that the "Cambrian Affair" was 100% occupied.

Plans for the $1 1/2 million project were approved unanimously by the commissioners with Ed Stajanovich abstaining for personal reasons.

The commission was informed that Keith W. Reid had withdrawn his application for approval of plans for an addition to his service station at Bascom and Fewtrell.

A letter from Ira Kirkorian also informed the commission that he was withdrawing his application for a service station at San Tomas and Bucknall at this time. He indicated he planned to resubmit after the first of the year.

PLANS OKAYED

The Planning Commission approved the plans for Morris Burman for an addition to an existing cabinet shop at 864 McGlincey Lane and also for William J. Martin, Jr., for an office and industrial building at 190 Dillon.

Approved also were the plans for the construction of three 4-unit apartments to be located at 182 Echo, 192 Echo and 645 Nido. Plans were submitted by Valley Glen Development Company.

Santa Clara Valley Water Conservation District won approval for a zone change from R-1 (residential) to C-H (highway commercial) for property located on Winchester Blvd. south of the percolation pond at Hacienda and Winchester. Robert Rolls, district engineer, explained that the district no longer had use for the property and desired to sell it.

The commission approved the zone change unanimously.

SAN JOSE ACTS

Hogan informed the commission that his office had been notified that San Jose intended to rezone property adjacent to Campbell, in the vicinity of the Castro School from R-1 to R-2 (duplexes) and R-3-H (3-story apartments).

This zoning would be adjacent to R-1 property and the three story apartments would look directly into their backyards. A number of Campbell residents involved in the proposed rezoning were present at the meeting.

The hearing on the zoning was scheduled for Tuesday of this week in San Jose.

Legion to host children at Christmas party

Veterans Day was marked by the West Valley Post 158 of the American Legion with an appropriate program beginning with a tribute to the day read by Commander Rex A. Kaber. Others participating in the program were Mrs. Kaber, Louise Fairchild, Milt Ogden and Lee Spencer. A special feature was banjo solos by Ole Tranberg of Barracks 710 of World War I Veterans.

The West Valley Post has recently purchased a 16 mm sound projector, which will be used for the first time to show Christmas pictures to the children of the Ming Quong Home. There will also be Christmas candies for the youngsters and Santa Claus will be on hand to pass out gifts. The date for the party has been set for December 19.
